Invitation

We are renewing the invitation to the 17th **EPMeeting** held in Catania, Sicily, Italy, in order to celebrate the decennial of **EPMagazine** editorial/scientific educational activities.

This invitation is addressed to everybody (teachers, students, and so on) that are interested to know better our activities and to whom wishes to give a presentation in the topics that will be discussed during the meeting.

Venue

The 17th **EPMeeting** will be held in Catania, Italy on September 23th-30th 2012 at the following secondary schools: *V. Spedalieri*, *E. Fermi*, *E. Boggio Lera*. The city of Catania is an ideal choice due to its location and mild weather.

www.abacosicilia.com/en/catania-history.html

<http://www.thinksicily.com/guide-to-sicily/towns-and-cities-in-sicily/catania.aspx>

Schools

The Meeting will take place in three important schools:

Liceo Classico "N. Spedalieri" (Classic High School) <http://liceospedalieri.it/>

I.P.S.I.A "E. Fermi" (Vocational Institute) <http://ipsiafermicatania.it/>

Liceo Statale "E. Boggio Lera" (Scientific High School) <http://liceoboggiolera.it/>

Language of the Congress

The official language of the Congress will be English and no translation facilities will be available

Congress Theme

The Congress Theme is the Decennial of **EPM** in Europe. The congress is held in Catania because Catania's team is the earliest planner and founder of *EPMagazine*. Besides, scientific talks about both History of Science and Technology and Technology for Green Energy will be given.

Sections of the Conference

Those are the topics we are going to deal with during the Meeting:

- Participants schools and universities
- **EPMagazine**: The Past
- Didactic\educational use of **EPM** in Schools and Universities
- **EPMagazine**: The Present and the Troubles
- History of Science and Technology (Scientific Session)
- **EPMagazine**: The Future
- History and Evolution of Green Energy (Scientific Session)
