

EPM Award

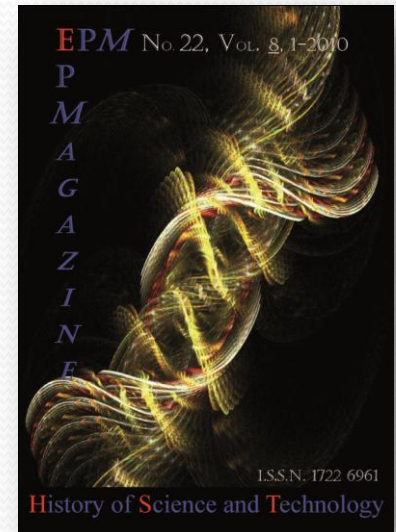

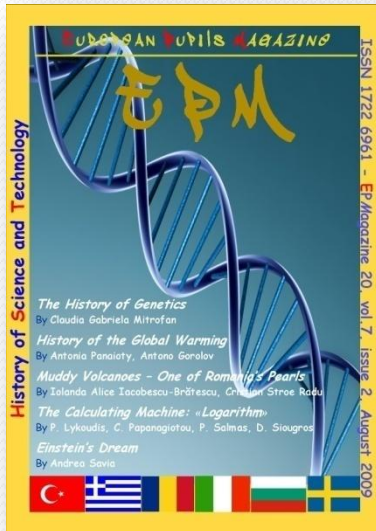

14th EPMeeting, Sofia, Bulgaria, 2010

Laura Patanè, Alessandra Villarà

Liceo Boggio Lera, Catania, Italy

What is **EPM** Magazine?

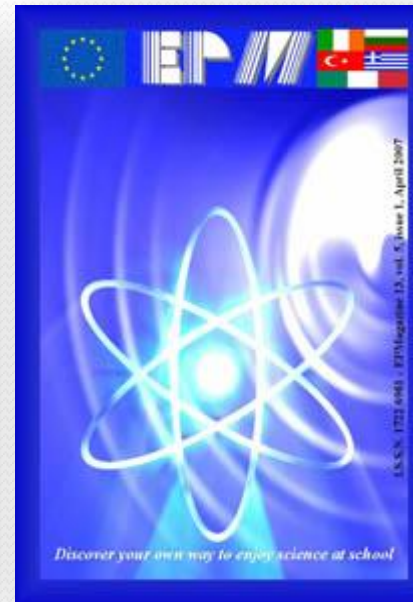

EPM Magazine is a periodical where teachers and students of different countries work together to widen the knowledge of science, maths, biology, chemistry, technology, and so on. We publish three issues per year. Cooperating to the **Magazine** will increase scientific and language skills.

EPM Award

EPM Award is a competition among students writing articles in the Sections **14/16** and **17/19** years.

People choose the best article of the year from the **EPM** official web site.

Voting Rules

1. Preferences must be expressed by the official web site form;
2. A valid email address is requested to validate the vote;
3. Each student or teacher has the right to vote once only;

Scores are assigned according to:

- **0** score, if the vote is given by a person who comes from the same school of the article author;
- **1** score, if the vote is given by a person who comes from the same city of the article author;
- **2** scores, if the vote is given by a person who comes from the same nation of the article author;
- **3** scores, if the vote is given by a person of a different nation of the article author

EPM Award 2011 and beyond

In Bucarest, we decided to add two new Sections to the *Magazine* (University and Technology for Green Energy).

We have to decide if these new sections are allowed to participate to the same competition together with 14/16 and 17/19.

We could:

1. Maintain **EPM Award** for the previous sections;
2. Allow participation to the new sections;
3. Provide two **EPM Awards**: one for secondary school students and another for University ;

EPM Award 2011 and beyond

The best article?

Treasure hunt for mistakes?

or whatever?

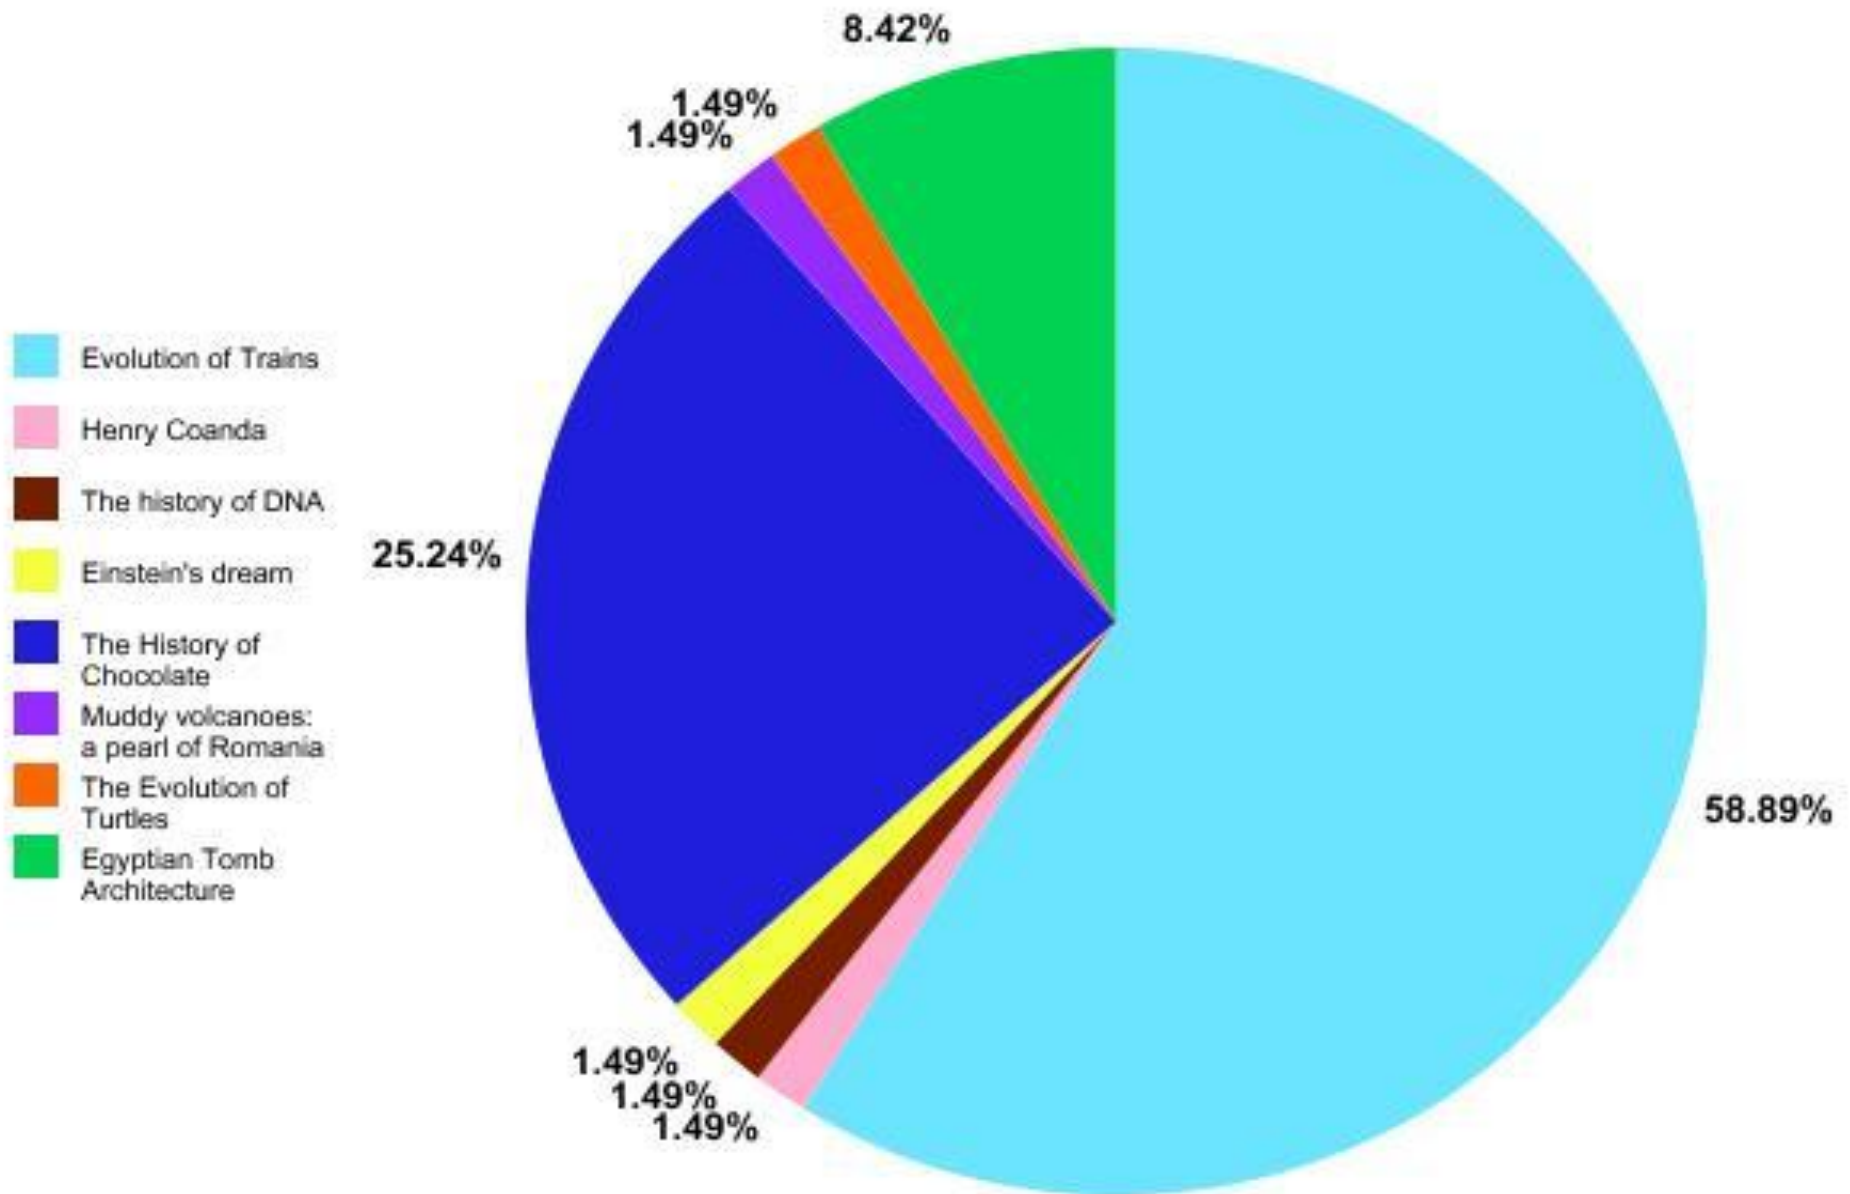

EPM Award 2009/2010

Results

When counting the votes we found out several invalid ones. These votes are invalid because we have not got a regular email address or a confirmation.

We have received 255 valid votes and 690 invalid votes.

The 255 valid votes were checked once more and according to the rules of the contest we assigned scores.

The winner is:

“The History of Trains ”

written by:

Koralia Kontou

**Experimental High School of University of Macedonia
Thessaloniki, Greece**
