

Let's talk about

Let's talk about

EPM MIRROR SITE

EPM MIRROR SITE

History of the Mirror Site

HISTORY OF THE MIRROR SITE

Originally was developed by Angelo Tambone

Positive Notes

- Shape
- Technical and general Structure
- PDF converted in Adobe Flash by Scribd.com

Negative Notes

- HTML code was not clean

How have I improved the CD?

HOW USAG I IWBLOAGD IUG CD?

- Use of XHTML and CSS
- New Layout
- Online user indicator “[Who’s Amung Us?](#)”

After the host allowed PHP (Hypertext Processor) we developed:

- Links and footer in external files
- Guestbook

Plan For Future

- More endearing layout
- Make simpler to surf
- Change name in “*EPMagazine* online magazine”

Conclusions

CONCLUSIONS

The old version of mirror site had a lot of positive aspects, as well as bad problems. Thus, we decided to remove them and improve the positive characteristics. So we are going to develop the old mirror site into a better and more useful online magazine.
